

ATTENTION

WINNEMUCCA CUTTERS

We look forward to seeing you soon!!!

While these are challenging times, we highly encourage everyone to follow the State of Nevada mandates of face masks and social distancing in all public venues including, but not limited to, show grounds, hotels, restaurants, stores, gas stations, etc. There was a large rodeo event in Winnemucca this past week which brought a substantial number of individuals to the fairgrounds so we are advising everyone to take the appropriate precautions.

We will be following the guidelines that are in place and will require face masks except when horseback. We will be requiring social distancing. We encourage you to sanitize your stalls/pens. We will have masks and hand sanitizer available on site. We will also be requiring waivers to be signed for both NRC&CHA and the Winnemucca Events Center.

We ask that everyone be patient during check-in with move-in starting at 3:00 p.m. on Wednesday, July 8, 2020.

SEE YOU IN WINNEMUCCA!
